**February 2017**

***A quickie League newsletter to let our members know of  
several upcoming events.***

\*\*\*\*\*

**Panel Discussion: "Fake News, Tweets, and Facts in our Democracy:  
News – How do we get it? Why do we need it?  
What can we believe? What must we question?"**

*Sponsored by Hopkinton Town Library and co-hosted by  
LWV Greater Capital Area. Open to the Public.*

**Sunday, March 26, 4-5:30 pm, Hopkinton Town Library community room**

Panelists include

**Dan Barrick**, news director for NH Public Radio,

**John Gfroerer**, producer of over 40 documentaries, many on political topics,

**John Greabe Esq.**, UNH School of Law professor with a specialty in constitutional law,

**Ralph Jimenez**, editorial writer for the Concord Monitor

Two years before assuming the Presidency **Thomas Jefferson** wrote, “[I am] for freedom of the press, & against all violations of the constitution to silence by force & not by reason the complaints or criticisms, just or unjust, of our citizens against the conduct of their agents.” Jefferson was sometimes the target of the press, but defended it even as an old man when he wrote, “...the only security of all is in a free press. The force of public opinion cannot be resisted, when permitted freely to be expressed. The agitation it produces must be submitted to.”

Today, the “free press” includes social media, websites, television and radio in addition to print publications. Public opinion abounds; agitation abounds. How do we protect our ideals of free expression, our search for truth, and our republic simultaneously?

**This program is free and open to the public.**

Please forgive us for not publishing a full edition of the NHVoter this month. As you know from our emailed legislative alerts and calls to action, we’re keeping very busy in Concord. Thank you for responding so positively to the notices we’ve sent. Your support is very important.

*On the following pages, news of our nearly annual Day at the Legislature (for League members only,) a program on the electoral college and some possible alternative ways to elect the president (at Kendal in Hanover, for Kendal residents only), and the New England League Leadership Conference in April for League members.*

## League Day at the Legislature – Wednesday, March 8, 2017

Join League members and your state board for this action-packed day of attending hearings in the legislature, discussing testimony presented, analyzing the executive sessions that might happen in committees, and seeing for yourself how your state legislature works. Board members will accompany small groups to committee hearings of the groups' choosing.

Over lunch we will debrief, possibly have a guest speaker.

After lunch attendees can opt for a tour of the state house guided by the visitor center staff or participate in an advocacy workshop conducted by League board members.

Cost for this happy event including a lovely catered lunch is \$20, payable at the door. However, **pre-registration is absolutely required** so we can handle logistics. **Limited to 30 League members.** Sorry, we are unable to include non-members this time.

Because we don't yet have the list of committees that will be meeting on this date, and because snowstorms have been occurring mid-week this year, be sure to leave your phone number in case we have to postpone.

**To register:** Email [LWV@kenliz.net](mailto:LWV@kenliz.net), giving your name, town, and phone number. We will return your email with helpful hints about parking and suggest carpools where we can.

**Tentative schedule:** Meet at 4 Park St (office building across the side street from the Capitol) at 9 am for brief explanation and to choose hearings to attend. Leave with your board sherpa for hearings at 9:30. Lunch back at 4 Park St about 12:30 or sooner. Tour of the State House or advocacy workshop at 1:30. Finish by 2:00; go to more hearings if you wish or enjoy downtown Concord before heading home.

Hope to see you there!

**Just for Kendal at Hanover residents:** League of Women Voters NH board members have been invited by UNITE to discuss the electoral college and at least one possible alternative way to elect the President, the National Popular Vote Compact, which League supports. Join us in the Gathering Room at 7:15 pm, Tuesday March 28. Looking forward to seeing many familiar League faces at this event.
