NH Voter, the newsletter of LWVNH

April 2021

Spring is in the air, and Covid vaccines are being administered. We hope to plan some in-person League events in the summer and fall. But in the meantime, here are two events you can join from the comfort of your computer.

We talk about the importance of **fair maps and the redistricting process** in our legislative alerts, but here's the opportunity to learn some basics and also some NH specific issues, then discuss how citizens can make a difference.

Sign up for the **Redistricting Forum 2021**, via **zoom**, on **Sat. April 10, 2-4 pm**. Here's the link to register:

This event is hosted by Open Democracy, co-sponsored by League of Women Voters NH, Granite State Progress, and Kent St. Coalition. **Free; all welcome** who want to learn more about redistricting, why it matters, and how we as activists can work for fair maps in the process.

You may have received an email from the **national League of Women Voters** about the **April 29 "Day of Action"** around redistricting. But that arbitrary date shouldn't define when you make your voice heard. Join the National Pep Rally via webinar on April 29 at 9 am, but we'll offer actions you can take when it makes sense to you/

Here's the rally sign-up link: [https://www.lwv.org/redistricting/people-powered-day-action?](https://www.lwv.org/redistricting/people-powered-day-action?utm_source=DayActionLaunch&utm_medium=email&utm_campaign=03292021)

State budget for 2021-2023 – the NH House will vote on its version of the budget on April 7. If you'd like to learn more before then, here are two opportunities.

The NH Fiscal Policy Institute is hosting a free zoom event on the proposed state budget April 5, 1 pm.

To attend, you must register in advance at this link:
